Home page : [www.icrqa.com](http://www.icrqa.com)

# Renewal of Website

- **Website of ICR**([www.icrqa.com](http://www.icrqa.com)) has been **renewed**.
- New website can be accessed through mobile phone also.
- **Testing services of ICR** have been showed with industrial area, testing area and product certification and each page you can find responsible person's contact information.
- We will try to provide newest information through website continuously.

# FSSC 22000 V.5

- **ICR acquired the initial accreditation of FSSC 22000** management system for food chain category C : Food manufacturing from **the Korea Accreditation Board(KAB)** in **21st February 2020**.
- **FSSC 22000** is a food safety management system recognized by Global Food Safety Initiative(GFSI), and has a high global reputation in the field of food safety.
- Please refer to the **certificate** below for the status of **ICR** accreditation.

# 2020 Auditor Training Course

- **ICR** International Certification Registrar Ltd. Is an auditor training provider directly registered to Exemplar Global.
- **ICR** held an **auditor training course** in **January - February 2020**.
- Through the AU, TL, QM, EM, and MD courses, all the trainees have completed the training so that the students can be qualified for each module.
- Our training teaches auditors how to provide impartial audits based on objective evidence.

# ICR Explosion Atmospheres education service

- **ICR provides free certification training** for Explosion Atmospheres products and factory inspections to customers who produce explosion-proof products.
  
- By providing customized education services for the products produced, we would like to help you develop explosion-proof products and maintain production quality.
  - ◆ Design requirements for the development of explosion proof products
  - ◆ Examples of procedures and nonconformities / actions for type tests required by each standard
  - ◆ Review of ISO 80079-34: 2018 application guide and customer quality system to maintain explosion-proof product quality
  - ◆ Explosion-proof general information for customer employees performing explosion-proof production activities (design, purchasing, production, inspection, quality, sales)

- Director of Education: Jae-Ik Yoon, Senior Researcher  
(010-5522-4529/[yji@icrqa.com](mailto:yji@icrqa.com))

Please contact E-mail or **ICR** Industrial Safety Center for application for training.

We will always try to be an **ICR** that develops with our customers.
